PURSE DISTRIBUTION CHART

The PGA TOUR Policy Board establishes distribution of purses for Mackenzie Tour tournaments. Events with special or smallfields may use other purse distribution formulas.

The special distribution formula used only for the CAD based Mackenzie Tour events provides a first prize of \$18,000 for \$100,000 purses and \$9,000 for \$50,000 purses. If tournaments have increased prize money, they may use other purse distribution formulas. Following is the standard distribution formula for an event with a purse of \$100,000 CAD & \$50,000 CAD:

POINTS SYSTEM OVERVIEW

Mackenzie Tour Points System

The Mackenzie Tour Points System is a season-long system in which players accumulate points in each eligible official money event. Amateurs will be eligible for points.

Mackenzie Tour Points Distribution

- Official Mackenzie Tour events each award 500 points to first place.

Mackenzie Tour points are awarded by finish position as defined in the point distribution tables. Limited field events during the season will not redistribute the points for places that do not play.

Points Distribution by Finish Position

The table below shows the rounded number of points awarded to each position Mackenzie Tour events.

Note: Positions 51 – 65 are shown to represent possible ties for 50th position.

Ties – Points will be distributed to those in tying positions using the same method currently used to distribute prize money when there is a tie. That is, the total points for each tying position will be averaged and that average will be distributed to each player in the tying position.

Other Notes

Mackenzie Tour points are distributed to players earning official money. Amateurs will be eligible to earn points.

Mackenzie Tour points will be awarded at official Mackenzie Tour events where official money is earned. For example, if an event is shortened to 36 holes, Mackenzie Tour points will still be distributed.

All Mackenzie Tour points will be calculated out to three decimals.

PERFORMANCE BENEFITS

- A. The Points Leader from the Mackenzie Tour Points List earns an exempt card on the following season's Mackenzie Tour PGA TOUR Canada.
- B. Finishers 2-5 from the Mackenzie TOUR Points List Points will earn exempt status until the first reshuffle for the 2022 Mackenzie Tour PGA TOUR Canada season. They will be eligible for the reshuffle following those events.
- C. Finishers 6-10 from the Mackenzie Tour Points List Points will earn one start on the 2022 Mackenzie Tour PGA TOUR Canada season (event will be at the discretion of PGA TOUR Canada and the Tournaments). Players will not be considered members and will not be eligible for member reshuffle.

GENERAL ADMINISTRATIVE MATTERS

BAD WEATHER GUIDELINES

The PGA TOUR Policy Board has approved these guidelines for use by tournament officials in case of bad weather:

1. Every effort should be made to finish each round as scheduled.
2. When unplayable conditions occur, play will be suspended. Play will resume when conditions improve, even when that round cannot be completed that day.
 - (a) Where daylight permits, play may resume the following day, to include completion of the next scheduled round.
 - (b) Where daylight does not permit, the suspended round may be completed the next day. Thus, one round might be completed over a two-day period, depending on how many players had played from the starting tee(s).
3. When the first, second and/or third rounds are cancelled or suspended beyond the third scheduled day, with only one day remaining, every reasonable effort will be made to complete the next scheduled round (first round, or in the event it is the completion of the second round and daylight and conditions permit, determine the cut and complete the 3rd or 4th rounds)
4. In the event of a suspension during the final round, the round will be cancelled if the entire field cannot finish by the end of the final scheduled day of competition. The only circumstance where play would extend beyond the final scheduled day, would be to complete a playoff to determine a winner

SUSPENSION OF PLAY DUE TO DANGEROUS SITUATIONS

Play may be suspended for such dangerous situations as lightning, tornadoes, etc. If the players in a match or group are between two holes, they must not resume play until the Rules Committee so orders. Players who are playing a hole must discontinue immediately and not resume play until the Committee orders. THE PENALTY FOR BREACH OF THIS CONDITION IS DISQUALIFICATION.

All practice areas shall be closed during a suspension for a dangerous situation until the Rules Committee has declared them open for use. Players who disregard such closing shall be subject to disciplinary action.

NOTE: One prolonged siren or horn note signals suspension for a dangerous situation. Several short intermittent horn or siren notes signal all other types of suspension

PLAYER EQUIPMENT

To help ensure that players competing in Mackenzie Tour cosponsored tournaments use equipment that conforms with the Golf Canada & USGA/R&A Rules of Golf, players are encouraged to:

1. Confirm with equipment manufacturers or club maker that all new equipment or samples have been submitted and approved by the Golf Canada USGA/R&A. Any new equipment must be formally approved by the USGA/R&A prior to putting the equipment in play
2. Confirm that driving clubs are on the Golf Canada & USGA/R&A List of Conforming Driver Heads. Any modified club head or clubface must conform as if new and may need to be re-tested.
3. Have any altered or unusual clubs checked by a Mackenzie Tour Official before tournament use.
4. Verify that the ball chosen to be played is on the Golf Canada & USGA/R&A Conforming Golf Balls list.
5. Confirm that clubs conform to Model Local Rule G-2, regarding groove and punch mark specifications and are listed on the Golf Canada & USGA/R&A Equipment Database. The Exception does not apply.

If a player fails to submit his equipment prior to competition, he assumes all risk of a ruling that equipment does not conform with the Golf Canada & USGA/R&A Rules of Golf. Additionally, if required by a Mackenzie Tour official, a player is obligated to surrender any equipment if it is determined that additional off-site testing is necessary to rule on conformity. Failure to do so will result in disciplinary action. From time-to-time, Mackenzie Tour officials, at the request of the Golf Canada & USGA/R&A, collect ball and club samples for testing by the Golf Canada & USGA/R&A.

PRACTICING

To provide contestants the ability to practice without distraction, the PGA TOUR Policy Board has adopted the following policy:

Only contestants, their caddies, instructors, media, golf equipment manufacturer (when invited by contestants) tournament representatives and PGA TOUR staff are permitted onto any area designated for practice, (e.g., range, practice putting green, chipping or pitching greens, bunkers and the tournament golf course) during practice rounds.

NOTE: Family members and friends are not permitted inside the ropes on the golf course at any time. Family members are permitted on other designated practice areas when accompanied by the player. Players are expected to use good judgement and discretion when inviting family members onto designated practice areas. Players are responsible for their minor children and their conduct. Only one tournament representative is allowed access to designated practice areas at a time.

On pro-am days, practice by professionals and amateurs not in the pro-am in designated practice areas is prohibited from 30 minutes prior to the first pro-am starting time through the final pro-am starting time, for each segment/wave of tee times. For shotgun starts, practice is prohibited for one hour prior to the shotgun start.

On practice days, after 8:30 a.m. all play must begin from the first tee unless expressly approved by a member of the Rules Committee.

During tournament week practice facilities and the tournament course are for qualified players and the first 10 alternates on the Mackenzie Tour alternate list unless approved by the Mackenzie Tour Tournament Director. Qualified players and the first 10 alternates on the Mackenzie Tour alternate list shall not practice with ineligible players.

The use of permanent markers, paint or other similar products to create lines on the practice putting and chipping greens is not permitted. If marks or lines are created on these surfaces, they must be done with a non-permanent material, such as a chalk line, which will not damage the turf and will disappear in a short period of time.

GOLF COURSE PREPARATION & SET UP PHILOSOPHY

GENERAL

Golf course preparation and set-up is critical to the PGA TOUR's core mission and has significant ramifications for our players, television partners, tournaments, sponsors and fans.

For each tournament the objective is to provide a level of difficulty and excitement which identifies the world's best players while 1) maintaining fairness, 2) respecting the features and capabilities of the venue, and 3) providing a dramatic stage for the PGA TOUR. Throughout the season, the objective is to provide a variety of golf course set-ups, in conjunction with assessment of the TOUR's evolving business needs as well as monitoring of relevant statistics.

The PGA TOUR's Rules & Competitions and Agronomy Staff are responsible for golf course preparation and set-up, with the PGA TOUR Tournament Director having final authority. A Golf Course Review Committee, reporting to the Commissioner, will be maintained for the purpose of approving new venues and changes to existing venues, as well as reviewing relevant data and feedback on course preparation and set-up.

Course preparation and set-up is subjective, and situations will occur where objectives are unable to be met. Professional observations and constructive criticism on the preparation and set-up of courses is welcome and should be directed to the Tournament Staff.

PREPARATION

Although abnormal conditions, adverse weather, or venue capabilities will sometimes prevent establishing the desired course conditions, the following will normally be objectives for tournament sites:

Tees:

Firm, closely-mown, level and adequately-sized (to the extent possible), in order to provide flexibility.

Fairways:

Firm and closely-mown, varying in width according to course and year-long variety.

Greens:

Closely-mown with firmness and speed varying for contours, grass-type and conditions, and predicted weather.

Rough:

Varying in length and penalty according to course and year-long variety.

Bunkers:

Prepared each day in a timely manner with well-defined edges.

Maintenance & Irrigation:

Undertaken to achieve the above, but modified as necessary for consistency, adverse conditions, and predicted weather.

SET-UP

Tee placements and hole locations should take into account the following:

- Hole type, difficulty and length (including forced-carries)
- Design features
- Course conditions
- Predicted weather
- Variety of shot-making and shot-lengths required during the round
- Creation of excitement and drama for television partners, sponsors, and fans, particularly on the finishing holes.
- Weather Guidelines (with respect to completing the competition)
- Pace of play (this will not be a primary consideration)
- Tournament operations & logistics (this will not be a primary consideration)

On par-4's and par-5's one or more teeing grounds may be used. Back tees will not necessarily be used every round or at all. Creation of drama will weigh heavily in identifying holes suitable for set-up as either reachable par-5's or drivable par-4's. On par-3 holes, tee market placement should vary (if possible) to encourage broader shot selection both on all par-3's during each round and on each par-3 for the week.

Hole locations will generally be a reasonable distance from the green's edge and from contours. However, some hole locations may not be easily accessible, requiring judgement and skill.

ANTI-DOPING PROGRAM

All contestants in Mackenzie Tour events are subject to the terms and conditions of the PGA TOUR Anti-Doping Program. The full terms of the Anti-Doping Program may be found at www.drugfreesport.com/rec or www.mackenzietour.com/schedulemembers/

Questions regarding the Anti-Doping Program should be directed to Renee Tomb at PGA TOUR Headquarters, +1 904 285 3700.

INTEGRITY PROGRAM

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Integrity Program. The Integrity Program among other things prohibits players from betting on professional golf and engaging in other betting-related activities and requires players to complete certain educational requirements, in an effort to maintain integrity and prevent betting-related corruption in PGA TOUR events. The full terms of the Integrity Program may be found at <https://www.mackenzietour.com/schedulemembers/>. Questions regarding the Integrity Program should be directed to Andy Levinson, Senior Vice President, Tournament Administration, at PGA TOUR Headquarters.

The PGA Integrity program can be view at www.mackenzietour.com/schedulemembers/

PGA TOUR ALCOHOL POLICY

Any member found to have violated any of the following provisions relating to the use of alcohol shall be considered to have engaged in conduct unbecoming a professional and shall be subject to a significant penalty:

- A. Consuming an alcoholic beverage during any practice round or tournament round (whether a pro-am round or a tournament competition round), on the practice tee or putting green.
- B. Moderate, responsible consumption of alcoholic beverages after play or during social functions is permitted. But players should know that alcohol related unprofessional incidents will constitute conduct unbecoming a professional.
- C. A PGA TOUR member's responsibility to conduct himself in a professional manner and lend credit to himself and his organization extends beyond the time that the member is engaging in tournament play at the tournament site. Accordingly, the Membership should be aware that, depending on the circumstances, being under the influence of alcohol at any time in a public place, whether at a tournament site or otherwise, may constitute conduct unbecoming a professional.

The Commissioner will conduct such inquires and investigations as shall be appropriate to determine whether a member has violated the alcohol policy or any interpretations thereof.

PACE OF PLAY POLICY

Rule 5.6b states, in part: “The player should play at a prompt pace throughout the round. To encourage and enforce prompt play, the Committee shall set a Pace of Play Policy.” The following Pace of Play Policy, including penalties and fines, for stroke play competitions has been adopted. In the administration of this Pace of Play Policy, a member of the Rules Committee shall not tolerate abuse, oral or otherwise, by a player. Such abuse may constitute conduct unbecoming a professional.

DEFINITION AND APPLICATION OF “OUT OF POSITION”

The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play, as detailed on the applicable course’s Pace of Play Chart.

Any subsequent group will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play, reach a par-4 hole and have not played a stroke from the teeing ground before the hole is open and free of play, or reach a par-5 hole and all players have not played a stroke from the teeing ground before the hole is open and free of play.

NOTE: The Committee reserves the right to time a group when the Committee deems it necessary. Further, if a player is determined by the Rules Committee to be unreasonably slow, he may be timed individually at the Rules Committee’s discretion, regardless of whether his group is out of position.

TIMING

When the Rules Committee determines that a group is starting to fall behind, or is just out of position, the group (or certain players within the group) will receive an official warning. Such warning will be given as soon as possible and given only once during a round. In some circumstances, the Rules Committee may commence timing without having given such a warning, including when a group has already fallen significantly behind and/or is affecting other groups. Warnings given to players in the lead groups will not count towards their cumulative warnings for the season.

Once a group (or certain players within the group) has been warned, the Rules Committee (if available to do so) will monitor the pace of individual players in the group to determine if any players should be timed individually, as opposed to the entire group, in the case the group does not regain its position on the course.

When the Rules Committee determines that a group or an individual out of position will be timed, all players in the group, or the specific individual, will be informed they are being timed. Such timing could occur on any hole, including the finishing holes of a round.

Other than on the putting green, the timing of a player's stroke will begin when it is his turn to play, and he can play without interference or distraction. Time spent determining yardage will count as time taken for the next stroke. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair his ball mark and other damage on his line of play and remove loose impediments on his line of play.

NOTE: A player is permitted 40 seconds to play a stroke, and an extra 10 seconds (for a total of 50 seconds) will be allowed for:

- (a) the first player to play a stroke on a par-3 hole;
- (b) the first player to play a second stroke on a par-4 or par-5 hole; (c) the first player to play a third stroke on a par-5 hole;
- (c) the first player to play around the putting green;
- (d) the first player to play on the putting green.

Any player in a group being timed, who exceeds the applicable time to play a stroke (bad time), will be informed as soon as practicable.

PENALTIES DURING TOURNAMENT

First Offense:

One (1) timing exceeding the applicable time to play a stroke (1 bad time) - no penalty.

Second Offense:

One more timing (total of two) exceeding the applicable time to play a stroke (2 bad times) - a one (1) stroke penalty.

Third Offense:

One more timing (total of three) exceeding the applicable time to play a stroke (3 bad times) - a two (2) stroke penalty.

Fourth Offense:

One more timing (total of four) exceeding the applicable time to play a stroke (4 bad times) - disqualification.

NOTE: Any timing exceeding the applicable time to play a stroke (bad time) will be carried over throughout the tournament.

EXCESSIVE SHOT TIME

If any player in the field is observed by a Rules Official to take more than 120 seconds on a shot in the absence of a good reason for doing so, he will be given an Excessive Shot Time.

If an Excessive Shot Time is observed by an official, the official will notify the player as soon as is practical. This could be immediately after a shot if on a tee shot or approach shot, or at the conclusion of the hole if around or on the green.

All timing of strokes will be done by the Rules Officials on-course and in-person. Television footage and/or Shot Link data will not be used other than to corroborate the individual stroke time recorded and only if the officials choose to use such information.

FINES CUMULATIVE DURING SEASON

All warnings, bad times, excessive shot times and timings accumulate throughout the season.

BAD TIMES AND EXCESSIVE SHOT TIMES

First Offense:

First timing exceeding the applicable time to play a stroke (1 bad time) - no fine.
One (1) timing exceeding 120 seconds to play a stroke (1 excessive shot time) – no penalty.

NOTE 1: Timings exceeding the applicable time to play a stroke (bad times) and timings exceeding 120 seconds to play a stroke (excessive shot times) will accumulate throughout the season.

TIMINGS

First through Ninth Offense:

First through ninth occasion of being out of position and timed - no fine.

Tenth Offense:

Tenth occasion of being out of position and timed - a fine of \$500.

Eleventh and Subsequent Offenses:

Eleventh and subsequent occasion of being out of position and timed - a fine of \$125 for each offense.

NOTE 1: Timings will accumulate throughout the season.

REPEAT OFFENSES

Any player that receives a fine under this policy for any reason will be subject to double the existing fine structure the following season. For each consecutive season beyond one season in which the player is subject to fines under the policy, the fine amount will continue to double from the previous season.

APPEALS

Any appeal of a bad time or excessive shot time must be referred to the on-site Tournament Director immediately upon completion of the player in question's round. The Tournament Director's decision shall be final. **If the player in question does not appeal immediately upon conclusion of his round, any penalties and fines shall stand.**

For excessive shot times, a provision has been added to account for "a valid reason for taking longer" on an individual shot. This is purposely broad in order to account for the wide range of situations a player can encounter on the course and will be interpreted in a fair way by the Rules Committee.

NOTE: A player may not appeal an occasion of being warned or timed.

CADDIE REGULATIONS

Mackenzie Tour reserves the right to determine the mandatory usage of caddies on a week-to-week basis based on caddie availability. The policy could include mandatory use of caddies for all or any portion of a tournament week. A caddie who does not comply with these Caddie Regulations will be subject to losing the privilege to caddie on Mackenzie Tour. Also, for any violation of these regulations which affects play, a fine will be levied against the player of the caddie.

PGA TOUR POLICY FOR PAYMENT OF PRIZE MONEY TO PLAYERS WHO MAKE THE CUT BUT ARE UNABLE TO COMPLETE THE TOURNAMENT

Any professional who is disqualified or withdraws for any reason from an official money tournament after making the cut shall be paid last place, unofficial prize money. A professional who begins play at an official money event without a cut and is disqualified or withdraws for any reason shall be paid last place, unofficial money.

Any professional who has qualified for an official money event without a cut or an alternate list but is unable to play due to a serious personal emergency, injury or other disability which requires ongoing medical attention will receive last place, unofficial money without being required to register on-site. **MOBILE AND ELECTRONIC DEVICE POLICY
FOR CONTESTANTS AND OTHERS
WITH ACCESS TO PRACTICE AREAS OR GOLF COURSE**

On Practice Days

- Players may use a mobile device in designated practice areas or on the golf course for calls, data services and capturing content. As a courtesy to fellow competitors, players must step away from the hitting line on the range when using a mobile device and keep the device in the “vibrate” or “silent ring” mode.
- Other electronic devices (rangefinders, launch monitors, video cameras for instruction, heart monitors, pedometers, etc.) may be used in designated practice areas and on the golf course, but only with proper etiquette and in a manner that does not distract or slow other players.

During Pro-Ams

- Players may use a mobile device in designated practice areas only. Players are prohibited from using a mobile device for calls on the golf course during any official pro-am round. Players may use a mobile device for data services and capturing content in designated practice areas and on the golf course.
- Other electronic devices, as defined above, may be used in designated practice areas but are prohibited on the golf course unless approved by the Rules Committee.

During Official Competition

- Mobile devices are allowed for updating and checking leaderboard during competition rounds.
- Mobile and other electronic devices are prohibited for all purposes on the golf course other than for viewing the leaderboard by players and caddies unless approved by the Rules Committee. In addition to being considered conduct unbecoming a professional, the use of such devices may also be a violation of the Rules of Golf.
- Rule 4.3a(4) of the Rules of Golf states, in part: “Not Allowed: The use of equipment to listen to music or other audio to eliminate distractions or to help with swing tempo, or to view video showing play of a player during the competition that helps the player in choosing a club, making a stroke, or deciding how to play the round”. Penalty for first breach is the General Penalty, for second breach penalty is Disqualification.

NOTE: The use of mobile devices by players for capturing and distributing social media content must comply with the PGA TOUR Official Policy for Players Posting/Streaming to social media on Site at Events.

GUIDELINES OF PLAYERS’ USE OF SOCIAL MEDIA AT EVENTS

All contestants in PGA TOUR events are subject to the terms and conditions of the PGA TOUR Official Policy for Players Posting/Streaming to social media on Site at Events. The full terms of the Policy may be found www.mackenzietour.com/schedulemembers

INTERNET POLICY

The PGA TOUR creates a section within PGA TOUR.COM with information about each member.

Each player's site consists of players photos, a biography consisting of data similar to the information found in the Media Guides, statistics, results from the current year's tournaments, a scorecard from the most recent tournament played, and related stores and content.

The PGA TOUR recognizes that in the age of the internet, PGA TOUR members may be launching or re-launching their own web sites to support their fans, their sponsors, and their personal business ventures.

At the written request of a PGA TOUR member, PGA TOUR.COM will link to such player's "official player site" from that particular player's page on PGA TOUR.COM so long as there is a reciprocal link back to PGA TOUR.COM from the "official player site" home page.

Keep in mind that a PGA TOUR member's marketing rights have specific parameters regarding the use of the PGA TOUR name, marks, or logo. These parameters also apply to online usage.

In addition to linking capabilities and the use of TOUR marks, PGA TOUR.COM will attempt to assist any member in his online ventures. Please contact the Player Relations Department or the PGA TOUR.COM department (Scott Gutterman – x4892) with additional questions.

PLAYER ENDORSEMENT POLICY

All sponsorships, endorsements, name and likeness arrangements and promotional activities (collectively, "sponsorships") of members, whether during or outside PGA TOUR competitions, are subject to this policy. When playing in PGA TOUR co-sponsored, sanctioned or approved events, non-member contestants are subject to this policy as well. Generally, all sponsorships must be tasteful and in accordance with standards of decorum expected of professional golfers. Sponsorships that may reflect adversely upon the image and reputation of the PGA TOUR, cast the PGA TOUR in an unfavorable light, insult or offend the community or any group within the community or be viewed as hateful, abusive, obscene or divisive, as reasonably determined by the PGA TOUR, are prohibited. Further, the following addresses categories of special concern:

Season-Long Points Competition Sponsor FedEx. In recognition of the unique standing of FedEx as the sole sponsor of a season-long points competition on the PGA TOUR, so long as FedEx is the season-long sponsor of the PGA TOUR, no sponsorships are allowed by FedEx competitors United Parcel Services ("UPS") or DHL Express ("DHL") that involve displaying the name, logo or any product likeness of either company on a player's apparel, headwear, golf bag or golf equipment. Such provision shall apply during PGA TOUR co-sponsored, sponsored and sanctioned events to members only. Players with existing sponsorship agreements as of January 1, 2017 with either UPS or DHL will be allowed to continue or extend such relationship but may not expand upon the contractual branding or endorsement obligations in such relationships.

Tobacco / Marijuana. No sponsorships of any sort are permitted by companies selling tobacco products (including, starting March 1, 2019, cigars and tobacco smoked in pipes), smokeless tobacco products (including e-cigarettes and vaping products) and marijuana products (recreational and medicinal). However, a player may make appearances for any such company as long as the appearances are private and not promoted or covered publicly. Players with existing sponsorships by companies selling cigars and tobacco smoked in pipes as of March 1, 2019 will be allowed to continue or extend such sponsorships after such date but may not expand such sponsorships after such date.

Alcohol. A player may have a sponsorship by a beer, wine, distilled spirit or other alcohol company, subject to the following terms and conditions:

- Any ads and other promotions (using a player's name or likeness) for any alcohol company must include a social responsibility message and cannot include a direct call to action (e.g., "Call 1-800-555-5555 or visit us at www.xyz.com" or "Drink XYZ Distilled Spirit").
- A player may not display more than one name, brand, logo or other mark or identifier of any alcohol company on the player's apparel, headwear, golf bag and golf equipment in the aggregate at any time.
- No visual representation of any alcohol product (e.g., liquor bottle, etc.) may appear on a player's headwear, apparel, golf bag or golf equipment.

Gambling and Casinos. A player may have sponsorships by casinos and other legal gambling companies, except for a sponsorship in the United States by a company whose primary purpose is sports betting, as reasonably determined by the PGA TOUR. For example, a player may have a worldwide sponsorship by MGM Resorts or Caesars, or a sponsorship outside the United States by Bet365, but not a sponsorship in the United States by Bet365 (to illustrate, a player could have an agreement for Bet365 to use his name and likeness in an ad for its sportsbook that runs in Asia, as long as it does not run in the United States and there is no promotion or activation in the United States). Sponsorships by gambling companies are further subject to the following terms and conditions:

- All sponsorships by gambling companies require the prior approval of the PGA TOUR. All sponsorships must be submitted to the PGA TOUR Competitions department in advance for review and approval.
- The gambling company must be in compliance with all applicable gambling laws.
- Daily fantasy companies (e.g., DraftKings and FanDuel) are treated as "gambling companies" for purposes of this policy, but not companies "whose primary purpose is sports betting." Accordingly, DraftKings and FanDuel are treated for purposes of this policy like MGM Resorts and Caesars, not Bet365 and William Hill.
- On a worldwide basis, a player may display on the player's apparel, headwear, golf bag or golf equipment any name, brand, logo or other identifier of a gambling company, excluding a gambling company whose primary purpose is sports betting, as reasonably determined by the PGA TOUR. For example, a player may display "MGM Resorts," "MGM Casinos," "playMGM" (the brand of MGM's mobile betting app), "Foxwoods Resort & Casino," "FanDuel," or "FanDuel Sportsbook," but not "William Hill" or "Bet365" (inside or outside the United States).
- No visual representation of any gambling-related product (e.g., cards or dice) may appear on a player's headwear, apparel, golf bag or golf equipment.
- A player may not display on the player's apparel, headwear, golf bag or golf equipment more than one gambling-related identifier in the aggregate at any time.
- A player may publicly appear and otherwise be used in ads and other promotions for sports betting and daily fantasy generally, excluding ads and other promotions in the United States if the company's primary purpose is sports betting, as reasonably determined by the PGA TOUR. Further, the player may promote daily fantasy golf but may not promote betting on golf anywhere in the world. For example, a player may appear in a worldwide ad for MGM Resorts encouraging consumers to download the MGM mobile betting app, or a worldwide ad for DraftKings encouraging consumers to play daily fantasy golf, but not an ad to bet specifically on golf (and not an ad in the United States for Bet365). Further, the ad or promotion must include a responsible gambling or social responsibility message (e.g., "Please remember to bet responsibly").

- A player may not have a sponsorship in the United States by a company whose primary purpose is sports betting, as reasonably determined by the PGA TOUR. However, a player may make appearances in the United States for any such company as long as the appearances are private and not promoted or covered publicly.
- A player may not enter into any sponsorship or other agreement that provides compensation to the player based on any sports betting activity (e.g., a player may not receive a revenue share based on the “handle” or revenues from sports betting).
- A sponsorship may not have a term that extends past December 31, 2021 (unless otherwise approved by the PGA TOUR in its sole discretion).

Logo / Mark Size, Location and Quantity. All names, brands, logos and other marks and identifiers (“marks”) on a player’s apparel, headwear, golf bag and golf equipment must be in good taste as to content, size, location and quantity, as reasonably determined by the PGA TOUR. Further, all marks must satisfy the following specific terms and conditions:

- A mark (other than a mark on a golf bag) may not exceed three by five inches (3”x5”).
- Marks on upper torso apparel (including shirts, sweaters, outerwear and upper torso underwear, but excluding, for clarity, belts and headwear) may appear only at the following seven locations: right and left breast, right and left sleeve, right and left collar, and the yoke of the back (i.e., just below the collar). Only one mark may appear at each such location (i.e., seven logos total are permitted for upper torso apparel).
- Marks on belts may appear only on the buckle or front buckle area. Only one mark may appear on a belt.
- Marks on lower torso apparel (including pants and outerwear, but excluding, for clarity, belts and footwear) may appear only at the following locations: the right or left back pocket area (but not both back pocket areas) and below the right or left knee (but not below both knees). Only one mark may appear at each such location (i.e., two logos total are permitted for lower torso apparel).
- The location of marks is otherwise not restricted, but all marks must satisfy the good taste requirement set forth above.

Golf Outings. Golf outings for all companies are subject to the conflicting events terms set forth in Section A-2 of Article V.

MEASURING CONDITION OF PUTTING GREENS

The Rules of Golf state that before a round or playoff on any day of a stroke play competition, a competitor must not practice on the competition course or test the surface of any putting green on the course by rolling a ball or roughing or scraping the surface.

The PGA TOUR has adopted the following policy which applies to PGA TOUR, PGA TOUR Champions, Korn Ferry Tour, PGA TOUR Latinoamérica, Mackenzie Tour and Forme Tour competitions:

Contestants and caddies ARE NOT permitted to use a device that measures the condition (i.e., slope, texture, firmness, or moisture level) of any putting green on the course on any day of a stroke play or match play competition. The use of such device is only permitted on practice days.

A contestant or caddie who does not comply with this policy is subject to disciplinary action under Article VII. DISCIPLINE, PENALTIES & APPEALS, Section C: Conduct Unbecoming a Professional of the PGA TOUR Tournament Regulations.

The management and conduct of all Mackenzie Tour cosponsored tournaments, pro-am events and other golf events shall be under the direction of PGA TOUR, and such events shall be played in accordance with these Regulations and the tournament agreements applicable thereto.

A. MATTERS RELATING TO PLAY

1. Starting Fields.

The starting field in Mackenzie Tour open cosponsored tournaments shall consist of those players listed in Section A of Article III (in the order in which listed). Except if specified otherwise in the tournament agreement, the number of players in the starting field of an open tournament shall be 144 players. The Tournament Director may, however, amend the starting field to such number as he determines in his discretion to be required by the circumstances (e.g., due to lack of available daylight, to incorporate all exempt players, etc.).

NOTE: In the event that a player is incorrectly included in a starting field, he shall be removed as soon as practical, and be reimbursed for reasonable travel expenses by PGA TOUR.

NOTE: In the event that a player is incorrectly included in a starting field, he shall be removed as soon as practical, and be reimbursed for reasonable travel expenses by PGA TOUR.

2. Groupings

Groupings in Mackenzie Tour cosponsored tournaments shall be by threes (3s) to the extent possible, prior to reduction of the field. Following the reduction of field, groupings shall continue to be by threes (3). Subject to the discretion and under the supervision of the Tournament Director, groupings of players for the first two (2) rounds shall be made by draw in the following categories:

- (a) 2021 Mackenzie Tour winners, top ranked amateurs, Top 50 from 2021 Canadian Life Series, top 50 from last event, and Forme Tour members (Categories A,C,D,E,F)
- (b) All others first come first served registrants, Mackenzie Tour exemptions and sponsor exemptions (Categories B,G,H,I)

Groupings for rounds 3 and 4 after a reduction of field shall be made on the basis of tournament standings at the conclusion of the preceding round. The lowest finishers at the end of such round will be grouped together. Groupings for the third and fourth rounds shall be fixed on the basis of tournament standings at the conclusion of the preceding round.

The remainder of the field will likewise be grouped in similar sequence. Ties shall be decided by the order of starting the round last played, with the later starting time assigned to the earlier starter in the previous round.

3. Starting Times

Starting times for the first and second rounds shall be assigned by draw and shall be fixed for the round after a reduction of field based on current standings at the conclusion of the preceding round, consistent with weather conditions and available daylight hours, with the highest scorers starting first and the lowest scorers starting last. However, in unusual circumstances the Tournament Director at his discretion may change this sequence. All starting times shall be fixed under the supervision of the Tournament Director. Starting times for the third and fourth rounds will be fixed on the basis of tournament standings at the conclusion of the preceding round.

4. Reduction of Field (Cuts)

Unless otherwise provided in the tournament agreement or unless otherwise determined by the Tournament Director at his discretion (e.g., due to weather), in accordance with Article IV, Section A.9 below, the starting field in a Mackenzie Tour cosponsored tournament shall be reduced to the 50 professional players having the lowest scores at the conclusion of 36 holes of tournament play, including any players tied for 50th place, plus amateurs with scores not higher than that of the 50th professional.

5. Substitutions and Alternates

After the registrations & commitment deadline but before 12 noon (local time at the tournament site) on the third day preceding the first scheduled day of official tournament competition, any player who withdraws or is elevated to a higher eligibility category will be replaced by the highest-ranking alternate on the applicable alternate list. At and after 12 noon (local time at the tournament site) on the third day preceding the first scheduled day of official tournament competition, any player who withdraws or who is disqualified, or is elevated to a higher eligibility category prior to starting will be replaced by the highest ranking alternate on the Mackenzie Tour alternate list, except that a player who withdraws, is disqualified or is elevated to a higher eligibility category and is an unrestricted sponsor exemption may be replaced, at the discretion of the sponsor, by another sponsor exemption prior to 12:00 noon two days preceding the first scheduled day of the tournament.

Sponsor exemptions must be named by 12:00 noon three days preceding the first scheduled day of the tournament.

NOTE: Any player who is not registered for an event and has finished inside the top 50 in the previous event will have to commit after the final round.

6. Professional-Amateur Events

All professional-amateur events on the Mackenzie Tour will be unofficial events.

7. Best Efforts; Withdrawals

In making a commitment to participate in a cosponsored event, a player thereby obligates himself to attempt to exercise his maximum golf skill and to play in a professional manner.

After making a commitment to participate in a tournament, a player shall not withdraw, either before or after signing an entry form for such tournament, except that:

- (a) Prior to the commitment deadline, a player may withdraw for any reason.
- (b) After the commitment deadline and before the tournament has commenced, a player may withdraw because of injury or other disability which requires medical attention, or serious personal emergency. The player shall immediately notify PGA TOUR of his reason for withdrawal, and within a period of 14 days submit written evidence supporting such reason to the Commissioner.
- (c) During a round, a player may withdraw because of injury or other disability which requires medical attention,

or serious personal emergency. The player shall notify the Tournament Director of his reason for withdrawal, and within a period of 14 days submit written evidence supporting such reason to the Commissioner.

- (d) Upon completing any round of 18 holes a player may withdraw, upon notifying the Tournament Director and returning a signed score card.

A player who breaches the provisions of this section shall be subject to a fine or suspension from play, or both, in cosponsored events.

8. Postponements and Cancellations

If, in the judgment of the Tournament Director, adverse weather conditions or any other occurrence or condition beyond the control of PGA TOUR render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the Tournament Director, after consultation with the host organization, determines that such weather conditions or other occurrence have improved sufficiently for play to commence or resume, provided that no such postponement shall extend the tournament beyond the scheduled conclusion of the tournament (normally Saturday).

In the event of cancellation of any part of a tournament, prize money shall be distributed among the lowest scorers after the last completed round of play in the same number, amounts and order as for the originally scheduled number of holes. If a tournament is shortened to less than four (4) official rounds and there is a tie for first place, there will be a playoff at a convenient time as determined by the Tournament Director. The tournament will be considered "official" for purposes of determining official money if at least two (2) official rounds have been completed. The tournament will be considered "official" for purposes of determining official wins if at least three (3) rounds have been completed.

If less than one official round of the tournament is completed as the result of any cancellation, the host organization and PGA TOUR shall not be required to pay any prize money. In an open tournament, the host organization shall refund all tournament entry fees paid.

If, however, at least one official round is completed, the host organization and PGA TOUR shall pay 50 percent of the purse, which shall be divided equally among all players in the starting field. In the case of only one official round being completed, there will be no playoff conducted. If at least two official rounds are completed, the host organization and PGA TOUR shall pay 100 percent of the purse, which shall be distributed among the lowest scorers after the last completed round of play in the same number, amounts and order as for the originally scheduled number of holes.

B. GENERAL PROVISIONS

The following general provisions relating to the conduct of tournaments apply to cosponsored Mackenzie Tour events.

1. Entry Forms

All entry forms for cosponsored tournaments shall be prepared by PGA TOUR and furnished to the host organization. All entries shall be subject to acceptance by the host organization and PGA TOUR, and may be rejected or revoked by either without liability at any time before or after commencement of tournament play if the entrant fails to meet the eligibility requirements set forth in the entry form and these Regulations, violates any of the regulations or otherwise conducts himself in a manner unbecoming a professional golfer. If a player's tournament entry is revoked, he shall not be entitled to share in the prize monies thereof.

All players in cosponsored Mackenzie Tour tournaments shall grant and assign to PGA TOUR through their entry forms, without limitation, their individual television, radio, motion picture, photographic and similar rights (including all forms of television and other electronic media) with respect to their participation in such tournaments, provided that PGA TOUR's use thereof shall be limited to advertising, promoting or publicizing PGA TOUR and PGA TOUR golf events or broadcasts related thereto, and provided further that in no case shall such rights be used in any broadcast, motion picture or other program on an electronic medium that is for instructional purposes without the express written consent of the player(s) involved.

Players also shall agree in such entry forms to: (1) refrain from any action that will interfere with PGA TOUR's ownership and exercise of the rights granted and assigned to it hereunder, including any use by other parties of such rights that is authorized by PGA TOUR; (2) abide by these Regulations, including any amendments thereto as may be adopted from time to time; and (3) abide by the Rules of Golf of Golf Canada, the United States Golf Association and the R&A, subject to any modifications thereof approved by PGA TOUR.

A player who has incorporated may enter cosponsored events in the name of his corporation and any money winnings will be paid directly to such corporation, provided that the beneficial interest in such corporation is owned entirely by the player (and/or members of his immediate family). The player shall give a personal guarantee of all obligations of the corporation on a form prescribed by PGA TOUR, and the player shall remain personally subject to all requirements applicable to players who enter such events in their own names.

2. Course Preparation

Preparation of the course shall be subject to approval of the Tournament Director. Locations of teeing grounds and hole positions on putting greens shall be selected by the Tournament Director.

The Tournament Director may direct growing, cutting and watering of grass as he may deem advisable to provide appropriate playing conditions. Unnatural substances such as artificially colored sand-like material in bunkers are prohibited.

3. Playoffs

In the event of a tie for first place at the conclusion of the scheduled number of holes in a cosponsored tournament at stroke play, a playoff shall be conducted for the purpose of determining the tournament winner. Such playoff shall be on a "hole-by-hole" basis immediately following the conclusion of the final round, or on the following day if the Tournament Director determines that darkness, weather, or other conditions preclude conducting a playoff on the day of the final round.

Tournaments shall begin playoffs on the 18th hole unless the Tournament Director determines that another hole should be used because of mitigating circumstances.

The winner of any playoff shall be deemed to have placed first in the tournament and his prize money determined accordingly. The loser of any playoff involving two players shall be deemed to have placed second and shall be entitled to second-place prize money. If a playoff involves more than two (2) players, those other than the winner shall be deemed to have tied for second place regardless of their scores in the playoff, and their prize monies shall be apportioned accordingly. The determination of all prize monies shall be under the direction of the Tournament Director.

4. Distribution of Purses

The purses of all cosponsored tournaments shall be distributed to the low finishers therein as determined or approved from time to time by the PGA TOUR Policy Board.

On a date on which any Mackenzie Tour cosponsored event is being played, PGA TOUR will not cosponsor or approve any other similar golf event without the advance written consent of the host organization of the first scheduled Mackenzie Tour event, which consent shall not be unreasonably withheld. "Similar golf event" means a tournament of the same type (i.e., Mackenzie Tour event). For example, PGA TOUR shall not be prohibited under this section from holding a PGA TOUR (Regular TOUR), PGA TOUR Champions or Korn Ferry Tour event on the same dates as a Mackenzie Tour event.

2. Obligations of Mackenzie Tour competitor

In any week when a PGA TOUR, PGA TOUR Champions, Korn Ferry Tour, PGA TOUR Latinoamérica or Forme Tour cosponsored tournament is scheduled, no Mackenzie Tour member shall participate in any golf activity (including public exhibitions, clinics and pro-ams) in the same geographic area as such PGA TOUR, PGA TOUR Champions, Korn Ferry Tour, PGA TOUR Latinoamérica or Mackenzie Tour tournament without the prior approval of the Commissioner. Nothing in the foregoing shall preclude Mackenzie Tour members from playing in "outings" during the week of a cosponsored tournament. As used herein, an "outing" refers to an event in which a player or players are invited by a company to entertain its customers, without any broadcast or electronic portrayal of play and without public gallery.

B. MEDIA AND MARKETING RIGHTS

1. Media Rights

The television, radio, motion picture and all other media rights of all players participating in Mackenzie Tour tournaments, pro-ams or any other golf event conducted in conjunction with cosponsored events (e.g., clinics, long-drive contests, etc.), or any portion thereof, shall be granted and assigned to PGA TOUR. Based upon this grant and assignment, all such rights shall be the property of and expressly reserved by and to PGA TOUR, and any use thereof without the express written consent of PGA TOUR shall be forbidden.

2. Marketing Rights

- (a) Aside from the assignment of individual television and similar rights provided for herein, nothing in these Regulations or in marketing programs adopted by the Mackenzie Tour shall be deemed to restrict any member's individual marketing rights (e.g., promotions, endorsements, licensing, etc.).
- (b) In addition, no person shall make any commercial use of the name, likeness, or identity of any member of the Mackenzie Tour without the advance written approval of such member.
- (c) Similarly, no individual Mackenzie Tour member, tournament sponsor or other person or entity is authorized to make any commercial use of the PGA TOUR or Mackenzie Tour name, marks, or logo without the advance written approval of PGA TOUR.

VI. DISCIPLINE, PENALTIES AND APPEALS

Each player, by participating in cosponsored Mackenzie Tour events, acknowledges the right and authority of the PGA TOUR Policy Board, the Commissioner and the Appeals Committee (a) to fine and suspend the player from tournament play, and/or (b) to fine and permanently bar the player from tournament play in cosponsored, coordinated or approved golf events of PGA TOUR for violation of these Tournament Regulations.

Any such participating player, if involved or affected in any manner whatsoever by a decision of the PGA TOUR Policy Board, the Commissioner or the Appeals Committee with respect to any such violation, hereby releases the PGA TOUR Policy Board, the Commissioner or the Appeals Committee, PGA TOUR, Inc. the Professional Golfers' Association of America, and each director, officer, member, employee, agent or representative of any of the foregoing jointly and severally, individually and in their official capacity, of and from any and all claims, demands, damages and causes of action whatsoever, in law or equity, arising out of or in connection with any such decision or action by the PGA TOUR Policy Board, the Commissioner or the Appeals Committee.

Fines are due and payable within 30 days unless the member has made a written appeal. Should the appeal be denied, the fine will be due and payable within 30 days of such denial of appeal and, notwithstanding such 30-day period, until such fine is paid the player will be ineligible for competition.

Such notice may be presented to the player by a tournament official or the Tournament Director, except that any notice of a proposed major penalty shall be executed by the Commissioner.

Within 14 days of such notice of proposed disciplinary action or penalty, the player shall submit to the Commissioner such facts or evidence of mitigating circumstances as may apply.

Within 14 days of receipt of such information from the player, the Commissioner shall notify the player in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After imposition of any penalty hereunder, the player shall have the right of appeal as set forth in Section D of this Article VII.

B. **RULES OF GOLF**

Any player who, while participating in any Mackenzie Tour cosponsored tournament, breaches the Rules of Golf of the United States Golf Association/R&A or local rules in effect for the conduct of such tournament, shall be subject to the penalties provided in such Rules as well as any other penalties determined by the PGA TOUR Policy Board. In any instance where a member of the Mackenzie Tour has for any reason been placed on probation for an infraction of any rule of the Mackenzie Tour, then and in that event, if at any time during the probation period that member shall violate any rule of the Mackenzie Tour, irrespective of whether that violation carries with it a penalty designated minor, intermediate or major as described under Sections D-1, 2 and 3 of this Article VII, the Commissioner may immediately suspend the member's playing privileges. The Commissioner shall inform the member of the decision to revoke the probation within 14 days.

Prior to imposition of any intermediate or major penalty (except under the Rules of Golf), the player shall be notified orally, if possible, and in writing signed by the Mackenzie Tour Tournament Director or by the Commissioner. In the case of minor penalties, notification may be by any Mackenzie Tour tournament official. Such written notifications shall specify the precise charges or violations. To the extent practicable, such written notifications shall be given before noon of the day following such violation.

Any written notification required by this section to be given to a player shall be hand-delivered or sent to him via registered or certified mail, return receipt requested, to the address of the player as shown in the records of PGA TOUR, provided that delivery to a player's locker at a tournament site shall constitute hand delivery under this section.
